How to make a donation

We would like to offer you the opportunity to donate a regular amount to The Harbour Counselling Service (Perth).

This vital local charity is now the only service in Perth committed to providing **free** counselling, allowing open access to our service regardless of the client's ability to pay. Through our volunteers we offer 50 hours of one to one counselling per week.

Our goal is to encourage **100** individuals or businesses to support our work by donating £10-£100 per month. This regular sponsorship will help place Harbour on a firm financial footing for the future.

Please strengthen our foundation. Be part of a team committed to continuing this life changing work. We are grateful for your support.
